SUBJECT No. 211.

Class representation in public service.

Messrs. P Venkappiah, Abdul Aziz Saheb and Lakshmaiya, Shimoga Municipality.

Summary of discussion:—(1) A fair representation in public service of different castes and communities may be maintained and for this purpose a statement showing the patronage extended to them may be asked to be submitted to Government by the Head of each Department.

(2) Appointments may be made according to merit and qualifications without reference to caste. It is no doubt necessary that backward classes should be given facilities for educational advancement but in matters of appointment, the consideration of caste should not interfere with merit and qualifications.

Reply of Government:—Every effort is being made to secure due representation of all communities with due regard to merit and qualification of candidates.
